

## Risk assessment and Management 2024

## Mobile Climbing Wall

**Description.**

Mobile climbing wall that is erected at the clients site. Use of Auto-Belays

**Managing Risk Statement.** Supervisors will hold the appropriate qualification for this activity (see [Minimum Qualifications document](#)). The quality and safety of sessions will be regularly reviewed with any outcomes being fed into the RA and policies. Inherent within this activity is the possibility of getting wet, tired and exposed to ambient weather conditions (see [Weather Policy](#))

**Benefits.** Adventure Activities provide a range of benefits (see [Education and Learning policy](#))

The Hazard, what is causing a risk?	Who might be affected	How we manage the risk
Falls from height	Climbers	Staff to ensure climbers are clipped in – climbers to check. Staff only to clip climbers in.
Equipment dropped from height.	All at the bottom of the climbing wall	Clients kept at a distance from the wall. No loose items / bags / phones in pockets to be climbed with.
<b>Tower Stability</b> Uneven Ground or high winds	All	Weather Forecast checked at the beginning of the day. Tower only 'up' with member of staff present. Ground conditions checked and monitored during events.
<b>Client being 'stuck at top'</b>	Clients climbing	1 – practice descent low down 2 – where possible encourage client to downclimb 3 -

### Operating Procedures

#### Before

- Check medical / consent forms.
- Instructor to be familiar with E3Adventures activity RA – specifically any site specific notes.
- Check the weather forecast – does your plan still work.
- Check if there any venue restrictions (bird ban / road closures / rockfall)
- Instructor to ensure correct kit is available for the venue / group.
- Instructor to inspect all kit to ensure it is usable.
- If residential course ensure the group know where to go / park etc.

#### During

- Clear briefing to highlight risks, safety measures and expectations.
- Any assistants / staff to briefed on their role.
- Session delivered within instructors NGB remit / inhouse training / experience and accounting for the weather / group ability.

#### After

- Return kit.
- Inform E3 of any damages or loss.
- Inform course leader of any issues with group / venue to assist with planning for future.
