Adventure Days

In School and at Deers Leap Park

Adventure Days

Many schools recognise the power of Fun, Adventure and Outdoor Learning and put aside days or weeks at the end of the school year to celebrate the successes of the year and to focus on further developing their pupils inter- and intra-personal skills.

Some schools want to get out and about and come to us at Dearsleap Park (just south or East Grinstead) while some schools want us to bring the Fun and Adventure to them.

Whatever your plan for Adventures we would love to help.

Fun and Adventure

Fun

Spending time with new classmates and building friendships that will last a lifetime

Adventure

Learning to overcome challenges while working together with classmates to achieve what might not have seemed possible.

AT YOUR SCHOOL

We come to you – not coach costs, no off-site risk assessmets !!

Choose from a range of activities including; Archery, Bushcraft, Climbing, Orienteering, Teambuilding, Zorbs and Electric Scooters, and with our help we design a day that meets the needs and learning outcomes of your class and Pupils.

Thank you @E3Adventures for a great couple of days

> **Merstham Primary School** @MersthamSchool
> Year 5 and 6 have enjoyed outdoor activities this week including: tree climbing, fire building, hoverboarding and archery! What a fantastic week!

At Dears leap Park

Set in the heart of the Ashdown Forest, Deers Leap is a 230+ acre park that is ideally situated within walking distance of Stone Farm Rocks and Weirwood Reservoir yet within a short drive of the M23 and M25.

We offer a range of Adventurous Activities that make the most of the countryside location, whether you want fun and outdoor adventure or science, nature and art. There are countless opportunities for your pupils to learn and enjoy in a natural environment allowing them to develop lifelong skills and memories.
